Thian Chew (Chief Executive Officer & Non-Independent Chairman);

Alan Yamashita (Independent Non-Executive Director);

Alistair Bennallack (Independent Non-Executive Director); and

Melanie Leydin (Non-Independent Non-Executive Director).

The Board uses the guidance provided by the ASX Corporate Governance Council as a focus for the development and continuous improvement of the Group's governance framework, policies, and practices. The Board of Invion Limited (the **Company**) is responsible for the overall corporate governance of the Company. The Board believes that good corporate governance helps ensure the future success of the Company, adds value to stakeholders and enhances investor confidence.

The ASX Listing Rules require listed companies to prepare a statement disclosing the extent to which they have complied with the recommendations of the ASX Corporate Governance Council (**Recommendations**) during the reporting period. The Recommendations are not prescriptive, such that if a company considers a recommendation to be inappropriate having regard to its own circumstances, it has the flexibility not to follow it. Where a company has not followed all the Recommendations, it must identify which Recommendations have not been followed and provide reasons for not following them.

This Corporate Governance Statement (**Statement**) discloses the extent to which the Company has followed the Recommendations, or where appropriate, indicates a departure from the Recommendations with an explanation. This Statement should be read in conjunction with the material on the Company's website on <https://inviongroup.com/>, including the 2025 Annual Report.

The Appendix 4G accompanying this Corporate Governance Statement details Invion's adherence to the ASX Corporate Governance Principles and Recommendations (4th Edition), covering the reporting period of the financial year ended 30 June 2025.

This Statement is current as at 27 August 2025 and has been approved by the Board of Directors of Invion Limited.

Principle 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

Invion has established and disclosed the respective roles and responsibilities of the Board and management and how their performance is monitored and evaluated.

1.1 Role of Board and Management

The Board's broad functions are to approve the strategic direction of Invion, guide and monitor the management of Invion in achieving its strategic plans and oversee good governance practice. The Board monitors operational and financial performance and approves Invion's budgets and business plans. The Board is also responsible for overseeing Invion's compliance, financial reporting and risk management framework.

The Board has a charter which clearly sets out its roles and responsibilities and describes those matters expressly reserved for the Board's determination and those matters delegated to management. A copy of the charter is available on the Company's website at <https://inviongroup.com/corporate-governance/>.

The Board has delegated the implementation of strategy and policy initiatives, including day-to-day management of the Company's affairs, to the Executive Chair and Chief Executive Officer (CEO), who is supported in this function by Invion's team.

CORPORATE GOVERNANCE STATEMENT

A detailed authorisations policy sets out the decision-making powers which may be exercised at various levels of management.

In addition, the Board has delegated specific authority to the Audit and Risk Management Committee, which assists the Board in discharging its responsibilities.

1.2 Appointment of Directors

Before a person is appointed as a director or put forward to shareholders as a candidate for election as a director, Invion undertakes appropriate checks in respect of that person, which include checks as to the person's character, experience, and education. Invion provides its shareholders with all material information (that is in Invion's possession) relevant to a decision on whether or not to elect or re-elect a director (including any material adverse information revealed by the above or any other checks).

1.3 Appointment Terms

Invion has entered into written agreements with each director setting out the terms of their appointment, including respective roles and responsibilities. The agreements sets out the terms of that Director's appointment, including the remuneration entitlement and performance requirements. Directors also receive a Deed of Indemnity, Insurance, and Access. The agreements with directors include the requirement to disclose interests and any matters which may affect the director's independence. Agreements also specify the requirement to comply with key corporate policies, including the code of conduct, continuous disclosure and securities trading policies.

Details of executive contracts in place are detailed in the Company's Remuneration Report of the 2025 Annual Report.

1.4 Company Secretary

The Company Secretary is responsible for advising the Board and its committees on governance matters, and for ensuring that Board and committee procedures are complied with. The Company Secretary is accountable directly to the Board, through the Executive Chair and CEO, on all matters to do with governance and the proper functioning of the Board. All directors have access to the Company Secretary for advice and services. The Board approves the appointment and removal of the Company Secretary.

Details regarding our Company Secretary are set out in the Directors' Report in our 2025 Annual Report.

1.5 Diversity

The Board of Invion recognises that diversity is an important factor in improving and sustaining a workforce that is capable of achieving the strategic and business goals of the Group. The Board also recognises the challenges of achieving prescribed levels of diversity in a Group with a relatively small workforce.

The Board is committed to identifying and attracting employees and management with relevant experience, and its overriding principle is to treat people equally and with respect. The Group is committed to employee advancement based on skills and experience regardless of gender, race, ethnicity, religion, orientation, or disability.

Invion has a diversity policy which includes the requirement for the Board to set measurable objectives for achieving gender diversity. It can be viewed here <https://inviongroup.com/corporate-governance/>.

The proportion of women on the Board and in senior executive positions and women across the entire organisation as at 30 June 2025 was as follows:

- Women on the Board- 25%
- Women in senior executive positions- 20%
- Women across the entire organisation- 25%

Due to the current size of the Company's operations, IVX currently engages a number of advisors on a consultancy basis in the place of direct employees. A mix of genders currently assist the Company in this capacity.

CORPORATE GOVERNANCE STATEMENT

The Board considers due to the size of the Company, setting measurable diversity objectives is not appropriate with its practice currently being to hire the most appropriate candidate for the position to be filled having regard to the activities to be undertaken in the role. As the Company increases in size the Board will set measurable diversity objectives.

Diversity will continue to be encouraged by a commitment by the Board and senior managers to model the code of conduct, which can be found at <https://inviongroup.com/corporate-governance/>, in all aspects of the business, by ensuring managers tasked with recruiting or advancement understand the rule and spirit of the code of conduct and diversity policy, through training and development, and through the continued flexible approach to work conditions.

The Board has set the following diversity objectives:

- To cultivate an inclusive workplace of fairness and equality which foster the unique skills and talents of a diverse range of people; and
- To encourage diversity in skill set, experience, qualifications, and age of our workforce. With a diverse mix of professionals, we will continue to encourage diversity in hiring and sourcing candidates.

1.6 Board and Individual Directors Performance Assessment

The Board of Invion seeks to promote transparency and accountability. Evaluation of performance is a key element of these targets. The Board follows an informal ongoing process of self-assessment, considering both its collective performance and that of individual directors. The Board will seek feedback from management on performance issues as appropriate. The Executive Chair and CEO's performance will be considered by the other directors. A director whose performance is unsatisfactory may be asked to retire. Given the size and nature of operations, the Board has not yet undertaken an external evaluation of the Company's Board and Director performance assessment process. In the period under review, the Board was satisfied that its performance was effective and efficient.

1.7 Senior Executive Performance Assessment

Invion has a performance and development review process in place for all management and staff. As part of this process, the potential future development of a senior manager is discussed, along with any training required to enhance the prospects of both the development objectives being achieved and overall performance and progression within the Group. Due to the current size of the Company's operations, Invion engages highly capable consultants to perform tasks that are typically undertaken by senior managers. As a result, informal performance reviews were not undertaken during the period.

When applicable, Invion aims to reward management with a level and mix of remuneration commensurate with their position and responsibilities within the Group so as to align the interest of management with those of shareholders and ensure that total remuneration is competitive by market standards. Invion's remuneration report, which details the Group's policy on the remuneration of key management personnel, is set out in the Remuneration Report of the 2025 Annual Report.

CORPORATE GOVERNANCE STATEMENT

Principle 2: BOARD STRUCTURE

Invision has a Board of effective composition, size and commitment to adequately discharge its responsibilities and duties.

2.1 Nomination and Remuneration Committee

The Board has established a Nomination and Remuneration Committee to assist the Board in fulfilling its duties and responsibilities by reviewing, advising and making recommendations to the Board on issues of nomination and remuneration. The committee currently consists of Independent Non-Executive director Mr Alan Yamashita (Chair) and Non-Independent Executive Director, Mr Thian Chew. Any remuneration decisions affecting the CEO / Chair roles, involve other Board members and Mr Thian Chew abstains from voting. The current composition of the Board does not allow the Committee to meet the Corporate Governance recommendation in relation to the majority of members being independent, due to the stage of the Company's development and scale. The committee charter is available at <https://inviongroup.com/corporate-governance/>.

The Remuneration Report of the 2025 Annual Report contains details on remuneration policy and remuneration of the Group's key management personnel and its relationship to performance in the year under review. The remuneration report clearly distinguishes the structure of non-executive directors' remuneration from that of executive directors and other key management. Shareholders are invited to vote on the adoption of the remuneration report at the Company's Annual General Meeting of Shareholders.

2.2 Board skills matrix

The Board considers that its membership should comprise directors with an appropriate mix of skills, experience and personal attributes that allow the directors individually and the Board collectively to discharge their responsibilities and duties under the law effectively and efficiently. Directors should also understand the Invision business and the environment in which Invision operates so as to be able to set company objectives, goals and strategic direction in order to maximise shareholder value, and assess the performance of management in meeting those objectives and goals.

The Board strives to achieve diversity in its composition. The current directors collectively bring to the Board a broad range of experience, expertise, skills, diversity and contacts relevant to Invision and its business. The skills and experience represented in the Board and relevant to the Company's business at this stage are set out in the matrix below and following the Company's annual performance and skills review, it is satisfied that it meets expectations in all these categories:

2.3 Independent Directors

An independent director is a Director who is not a member of management and free from any business or other relationship that could materially interfere with or could reasonably be perceived to materially interfere with the Independent exercise of judgement.

CORPORATE GOVERNANCE STATEMENT

The Board regularly assesses, the independence of each Non-Executive Director in light of the information with each Director is required to disclose in relation to any material contract or other relationship with the Company in accordance with the Director's terms of appointment, the Corporations Act 2001, and the Board Charter.

When appointing an independent director or reviewing the independence of its Directors, the Board has regard to the definition of independent director and the factors set out in the Recommendations, in particular the factors relevant to assessing the independence of a director set out in Recommendation 2.3.

The Board has two non-independent directors, Mr Thian Chew and Ms Melanie Leydin and two independent directors Mr Alistair Bennallack and Mr Alan Yamashita.

Mr Thian Chew is considered as an Executive Director due to his position as Chief Executive Officer. Ms Melanie Leydin is not considered independent as she holds the position of CFO and Company Secretary.

Melanie Leydin	Non-Executive Director	31/08/2024	Non-Independent

2.4 Majority Independence

As at the date of this Statement, the Board does not have a majority of independent directors. Although the composition of our Board does not comply with Recommendation 2.4, the current Board composition reflects an appropriate balance of skills, expertise, and experience to fulfil its obligations to act in the best interests of the Company and all stakeholders. The Board also considers that there are appropriate safeguards in place including policies and protocols to ensure independent thought and decision making.

The Board recognises that it is desirable for a majority of the Board to be independent directors but the Company's current size dictates that this is the most efficient mode of operations at the current time. The Board will review the appointment of further independent directors should the Company's size and growth warrant this.

Further information regarding our Directors is provided in the Directors' Report of the Company's 2025 Annual Report, including their experience and qualifications..

2.5 Board Chair

The Board recognises the value and importance of an independent chair. Mr Thian Chew was appointed Non-Executive Director and Chairman on 1 December 2017. As noted above, Mr Chew is not deemed to be independent as he holds an executive role with the Company and by virtue of a consultancy agreement he has with The Cho Group whereby Mr Chew has agreed to provide general advice and support for The Cho Group's interests in its investment in Invion. The Board however views Mr Chew as the best person to fulfill this role and discharge the associated duties at this stage of the company's development.

2.6 Induction, Education and Training

It is the policy of the Board that, both before accepting appointment and continuously thereafter, directors are provided with information about the Group appropriate for them to discharge their responsibilities. To help directors maintain their understanding of the business, directors have access to the members of the management team and also to employees at all levels. Directors are supported with their continuing education in relation to the Company's business and industry, and other information required by them to discharge their

CORPORATE GOVERNANCE STATEMENT

responsibilities. With approval from the Executive Chair and CEO, which will not be unreasonably withheld or delayed, each director may seek independent legal or other professional advice at the Company's expense.

New Directors are provided with copies of all relevant documents and policies governing the Company's business, operations, and management, at the time of joining the Board. All Directors are provided, and when required, with ongoing professional development and training opportunities to enable them to develop and maintain their skills and knowledge. Directors are also encouraged to personally undertake appropriate training and refresher courses as appropriate to maintain the skills required to discharge their obligations to the Company.

Principle 3 – ACT ETHICALLY AND RESPONSIBLY

Invision promotes ethical and responsible decision making.

3.1 Statement of Values

The Company's values are the guiding principles and norms that define what type of organisation Invision Limited aspires to be and what it requires from its directors, employees, and related parties. Due to the size of the Company, the Board has not defined the Company's values. As the Company increases in size the Board will define the Company's values.

3.2 Codes of conduct

The underlying principle of the Board's code of conduct is that Invision has a commitment not only to complying with its legal obligations but also to acting ethically and responsibly, and that ethical behaviour is required of directors, executives and employees of the Group, as well as of advisors and consultants to the Group.

The Board has adopted specific policies in key areas, including diversity, continuous disclosure and dealing with price sensitive information, dealing in the securities of Invision, and whistleblower protection.

The Group's employees are required to sign in confirmation that they agree to adhere to the Group's Code of Conduct policy. Invision employees are encouraged to report breaches of conduct on a confidential basis. A copy of the policy can be found in <https://inviongroup.com/corporate-governance/>.

The Company supports a culture of honest and ethical behaviour in ensuring good corporate compliance and governance. Any material breach of the Company's policies, including any breach of the Whistleblower Policy, is raised at each Board Meeting. A copy of the Whistleblower policy is available on the Company's website at <https://inviongroup.com/corporate-governance/>.

In the period under review the Committee met formally on two occasions. Both meetings were attended by all committee members.

4.3 Verification of integrity of periodic corporate reports

The Company's external auditor is William Buck. William Buck provided an independence declaration to the Board for the financial year ended 30 June 2025, which forms part of the directors' report. The lead audit partner of William Buck attends the company's Annual General Meeting and is available to answer shareholder questions about the conduct of the audit and the preparation and content of the auditor's report.

Principle 5 – MAKE TIMELY AND BALANCED DISCLOSURE

Invion promotes timely and balanced disclosure of all material matters concerning the Company.

5.1 Continuous Disclosure

Invion believes that all stakeholders should be informed of all major business events and risks that influence the Group, in a factual and timely manner. Invion's practice of providing relevant and timely information is supported by its Continuous Disclosure Policy which details comprehensive processes to ensure compliance with the Corporations Act and ASX Listing Rules.

Specifically, Invion's Continuous Disclosure Policy outlines the procedure for identifying information that is or may be price sensitive information, and for reporting that information to the Executive Chair and CEO/ Company Secretary for review. It also provides a framework and guidance, including practical application of the rules under the Corporations Act and ASX Listing Rules, to ensure that Invion achieves consistently high standards in complying with its continuous disclosure obligations.

Under this policy all price-sensitive material for public announcement will be lodged with ASX and subsequently posted on Invion's website. Invion respects the rights of security holders and facilitates the effective exercise of those rights.

6.1 Information made available on the Company's website

The Board is committed to communicating effectively and transparently with shareholders about the Group's performance and results. In addition to its formal disclosure obligations under ASX Listing Rules and the Corporations Act, the Company utilises current technologies to facilitate open and continual communications with security holders and the market in general.

The Board has mechanisms in place to ensure that management's objectives and activities are aligned with identified risks. These include Board review of business strategy, the implementation of Board-approved operating plans and budgets, and Board monitoring of progress against these plans and budgets.

Given the nature of operations, review of risks facing the business is an active and continual process.
